~ Our Guiding Mantra

Founder Speaks

Guided by Vision, Grounded in Values

At Vivekananda Global University, we believe that education is the cornerstone of national progress. With this conviction, we have created an ecosystem that nurtures innovation, ethics, and excellence in every learner. Through our Online and Distance Education platforms, our aim is to ensure that no learner is left behind in the journey toward transformation. Education must empower, and at VGU, that power is now just a click away.

ASSESSMENT & EVALUATION

At Online VGU, the assessment process is designed to ensure academic integrity, learner convenience, and fair evaluation. Combining cutting-edge technology with learner-centric practices, our system supports continuous assessment and transparent examination outcomes. Aligned with the UGC's guidelines for online learning, we emphasize both knowledge acquisition and its real-world application. Our examination approach, enhanced by AI proctoring and expert support, gives learners the flexibility they need without compromising on quality or rigour.

Key Highlights of Our Examination & Evaluation Models :

30:70 Assessment Model

30% internal assessments and 70% end-term examinations for balanced evaluation.

Hybrid Virtual Proctored Examination System

Exams are monitored through a combination of on-campus human proctors and AI-enabled remote proctoring, ensuring exam integrity regardless of location.

Pre-Exam Preparation & Support

Mock exams, training sessions, and demo walkthroughs are conducted to familiarize learners with the examination environment.

Relative Grading System

Grading is based on a relative performance scale to ensure fairness across diverse learner groups.

Robust Multi-Stakeholder Support System

Dedicated assistance is provided before, during, and after exams by our tech support team, learner support team, examination and evaluation cell, live proctors etc.

Continuous Updates

Semester-long updates and coordination through course coordinators and academic teams keep learners well-informed.

TESTIMONIAL

Nitin Chagla

Sr. Systems Administrator,
Missionpharma Logistics India Pvt. Ltd

MCA | Batch: July 2024

I'm Nitin Chagla from Gandhidham, Gujarat, working as a Sr. Systems Administrator at Missionpharma Logistics India Pvt. Ltd. With over two decades of experience, I joined the MCA program at Online VGU to strengthen my academic credentials with a formal Master's degree. The curriculum is excellent and aligns well with my experience, although the learning management system could use some improvement in areas like assignment submissions and online exams. That said, VGU is helping me take an important academic step forward in my career.
